

## How to Write the College Application + Supplemental Essays

A Comprehensive Online Essay Writing Course for Students

Part Two of my *How to Apply to College* video course series

### 300+ Schools

You'll cover the most common essay topics required by hundreds of schools, including those required by most highly selective schools.

### Amazing Brainstorming

Using our best brainstorming exercises, you'll discover what matters to you, find the perfect essay topic, and get inspired to write.

### Q&A with Ethan

Multiple recorded sessions where Ethan answers questions from students around the world.

### Live or Recorded Lessons

Over 30 recorded sessions with Ethan walking you through the common application, plus a 32-page workbook full of brainstorming activities and sample essays.

A number of Pay-What-You-Can spots available. Visit the course page to learn more.
