

How to Write a Personal Statement

A Comprehensive Online Essay Writing Course for Students

Part One of my *How to Apply to College* video course series

Finish Your Essay

Students will learn everything they need to know to write their personal statement--and then actually write it--in one intense, action-packed week!

The Best Brainstorming

Discover what matters to you most--and write about it! Learn the top 5 brainstorming exercises that Ethan uses with his 1 on 1 students.

620+ Colleges

Use the Common App and the personal statement you write in this course will work for them all.

Live or Recorded Lessons

Over 30 recorded sessions with Ethan walking you through the common application, plus a 32-page workbook full of brainstorming activities and sample essays.

A number of Pay-What-You-Can spots available. Visit the course page to learn more.
